#### AIR-CONDITIONING

To book a viewing please call 07565 579368 or email [info@rcvsales.co.uk](mailto:info@rcvsales.co.uk) Viewing is by APPOINTMENT ONLY as our stock is kept on two sites. Access to the vehicles is not available on either site without an appointment as they are in a locked warehouse/yard. Please email or call 07565 579368 in advance to make an appointment. Last UK registered 300 TDi built as ROW very rare and probably the lowest mileage 300 anywhere only delivery mileage of 522 Kms! Right Hand Drive, as most of the ROW were Left Hand Drive and benefiting from factory Air Conditioning. This Defender is standard specification with the following exceptions;- middle seat removed, and bonnet replaced for SVA test to register in UK. Low emission zone LEZ compliant. The front and middle seats retrimmed in XS half leather, the rear 2 man benches are refitted but were removed as not required for the intended use. These 300Tdi Defenders are the Defender of choice for overland travel as they do not have ECU's and ar...
