Rare 90 County Hard Top 7 seater AUTOMATIC. Low mileage with lots of history and AIR CONDITIONING fitted. We last sold this car in 2019 and are delighted to have it back in stock, finished in metallic green with county techno interior, immobiliser, sunroof and alloy wheels. Land Rover never built 300 tdi automatics (only a limited run of V8 3.9Efi 50th anniversary Automatics) and in recent years demand for Defender automatics has grown to the extent that we build a few each year. Currently we have 3 on offer between 20k and 25k, this being the lowest mileage example. 18 foot Shepherds Hut as home office also available please call for details.
