ONLY 26,000 Miles! Viewing is by APPOINTMENT ONLY. Access to the vehicle is only available with an appointment, as the vehicles are in a warehouse. Please email or call 07565 579368 in advance to make an appointment. Having just listed a very low mileage 300 Tdi we now have a 26,000 mile Td5! This 110 Hard Top has a very high specification, 1 previous keeper and 17 service stamps in the service history. Now the specification, air conditioning, winter pack (heated seats and heated front screen), remote central locking, factory alarm and immobiliser, additional alarm and immobiliser, cloth seats, alloy wheels, electric windows, metallic Tonga green paint under a white roof and an upgraded stereo. We have restored three fantastic 110 Hard Tops in the last year, all built to order for discerning clients, a Cairns blue ROW 300 tdi, a Balmoral green 300 tdi auto, and a Venetian red 2.8 tgv. Demand has been strong for the best of these practical high spec commercials....
