V8 County 110 with LPG fitted, finished in Trident Green. Early lift handle 110 V8 County Station Wagon, now very rare with under 100 on the road. This 110 is largely in its first paint (possible previous paint to N/S wing top) and has a lovely patina with all original decals. MOT certificates from 1987 support the very low mileage. The rear crossmember has been replaced and there is some surface corrosion on the chassis, as described as an advisory on recent MOT PASS certificate. The body has had welded repairs to both foot wells as shown in the pictures, there is some corrosion in the bottoms of the doors which has not come through the original door skins. This 110 has LPG fitted and runs well on both LPG and Petrol, LPG is approximately half the price of petrol. We are delighted to...
