A local customers car that we are selling for him, a mixture of main dealer and Land Rover independent servicing. This Defender was modified for the previous keeper by a well respected local Land Rover Independent garage,. The spec is extensive including hydraulic winch, HD suspension twin rear shocks, Snorkle, Alloy rack with slide out table, window guards, locking metal cubby, upgraded lighting, heated hi back leather seats, cargo guard and much more. Adventure ready but sadly very little used, this customer is a Land Rover enthusiast owning various models. Very keenly priced at only £25,995.00
